The Principal's Message

Members of the class of 1963, I congratulate you for having reached this milestone in your life's preparation. Only by sincere effort, perseverance, and sacrifice have you been successful in reaching this goal. May you not stop here; for education is a continuous process. I admonish you not to pause here to rest upon the laurels gained thus far, but to aspire to reach your uttermost capacity; for only through this means will you be able to make your utmost contribution to civilization.

Remember Seniors, "Every person is responsible for all the good within the range of his abilities, and for no more; none can tell whose sphere is the largest."

"Let every man be occupied, and occupied in the highest employment of which his nature is capable, and die with the consciousness that he has done his best."

Jennie Dean School has tried to teach you to think because, "He that will not command his thoughts... will soon lose the command of his actions." The primary goal of education is to teach one to think for, "It is thought, and thought alone that divides right from wrong; it is thought, and thought only that elevates or degrades human deeds and desires." May you always think.

This school has given many illustrious sons and daughters to the world, we invite you to join their ranks. We urge you to become members of the Alumni and ever hold high the standards of your Alma Mater.

Class Song

(TUNE: "Oh, Christmas Tree")

Dear friends and classmates, kind and true
We have affection strong for you.
Your comradeship to us has been
As pure as gold and precious gems.
As we depart it makes us sad
Rememb'ring all the joys we've had.
We leave for you our faith and trust
That you may follow after us.

Our faculty, that faithful crew,
Taught us the things that we should do.
Their diligence and working art
Gave us a bright and glorious start.
In future years we'll think of you,
Rememb'ring all that you went through
To give to us the very best
That we may progress to success.

Our "Moms" and "Dads" to us have been
True parents, helpers, and pure friends.
Their investment in the future's men
Shall be repaid ten - fold again.
Dearest of all, we're fond of you.
Until the last you are so true.
Your guidance, now, to us will give
Strength to the lives that we shall live.

Oh Jennie Dean, our source of truth,
You saw us wand'ring in our youth,
You took us in and bade us "Think"
And of the cup of knowledge drink.
Knowing our need you thus supplied
Until our hearts were satisfied.
You'll always hold within our hearts
A most important, cherished part.

And now farewell to all so dear
With heavy hearts we leave you here.
But we're prepared to face the world
Armed with a past of treasure.
As we aspire to great success,
Winning for right in life's contest,
We pray to God to help us find
Friends like the ones we've left behind.

Class History

It was on September 2, 1958, that we, a class of 44, entered our first year of Manassas Regional High School. We had been waiting for this day for a long time. Our principal welcomed us to school, after which we met with our sponsors: Miss E. V. Fields and Mr. R. P. Fitzgerald. We selected the following as officers of our class: President, Kathlyn Downing, and Secretary, John Hall. That year Joan Hall was crowned "Miss Homecoming," and Edna Redd won second place. Also, during that year Daleria Outlaw was crowned "May Queen" and Edna Redd won second place again.

On September 8, 1959, after a pleasant summer vacation, we entered the new Jennie Dean High and Elementary School (Manassas Industrial School in 1894, renamed Manassas Regional School in 1936) which we had watched the previous year while it was under construction. That year, our class had become smaller in number. The Warren County students had withdrawn to attend a new school building in their own community. Our sponsor was Mr. R. P. Fitzgerald. Our officers were: President, Daleria Outlaw, and Secretary, Myra Buchanan. Members of the class went on a trip to Williamsburg. Paulette Maloy won second place in the "Miss Homecoming" contest.

On September 3, 1960, we entered school as sophomores. Our sponsor was Mr. R. P. Fitzgerald. Our officers were: President, Martin Porter, and Secretary, Paulette Maloy. Myra Buchanan won second place in the "Miss Homecoming" contest.

School opened on August 31, 1961. This time we entered as juniors. As usual, we were ready for work. We elected the following as officers: President, Frances Paige, and Secretary, Herman Lewis. Kathlyn Thornton won second place in the "Miss Homecoming" contest. That year we sponsored the Junior-Senior Prom. "South of the Border" was the theme of our Prom.

At last came the long awaited school term of 1962-63. We were Seniors! As we entered our Senior year, we were filled with great enthusiasm, for we realized that we were about to receive the reward for which we had worked so hard and so long. Our officers for that year were: President, Martin Porter, Vice-President, Kathlyn Thornton, Secretary, Daleria Outlaw, Assistant Secretary, Frances Paige, Treasurer, Joan Hall, and Chaplain, Ivy Davis. Our sponsor was Mr. R. P. Fitzgerald.

Now that we must leave, we part with both sadness and joy. We remember with appreciation the support and help given us by our parents, teachers, and friends and we are going on with the hope that our future accomplishments will be those of which they will be proud.

Class Prophecy

Washington, D. C.

March 18, 1973

Dear Daleria,

Last week one of our past schoolmates, Joan Hall, came into my beauty salon. Knowing Joan as you do, you can probably guess that she supplied me with all her knowledge concerning the members of our graduating class; and knowing me as you do, you know I had to write and tell you about it.

She informed me of the following: Madeline Taliaferro is now teaching Elementary Education at Jennie Dean High School. Myra Buchanan, Frances Paige, and Mary Stewart are all happily married stenographers in New York City. Barbara Bates is now a singer and has appeared in many night clubs in Paris, France. Herman Lewis attended Virginia State College and is now coach of the new school in Chicago, Ill. John Hall and Claude Thomas are now Lieutenants in the United States Air Force. Odessa Harris and Ruthie Stallworth are now owners of a luxurious beauty salon in Texas. Elaine Lansdowne is now a librarian in the Library of Congress. Paulette Maloy attended Atlantic Business College in Washington and is now teaching there. Ivy Joe Davis is playing basketball with the Harlem Globetrotters. Martin Porter has his Ph. D. and is now head of the Zoology Department at Virginia State College. Gordon Lansdowne has a barber shop in Gainesville, Virginia. Joan informed me that she is happily married and has participated in and won several art contests. She wanted to know how you were getting along as Secretary to the President of the United States.

I was deeply moved by the news of our schoolmates. Knowing that they were all succeeding in this ever changing world was a comfort to me.

Well, so long for now.

Sincerely,
Kathlyn Thornton
